

Technology Specialist
Town of Washburn
Bayfield County, Wisconsin

The Town of Washburn, WI is seeking a quote for computer services to help maintain and support our three computers. Two computers are laptops and one computer is a desktop.

Specifically, we are looking for services to provide ongoing maintenance and support for our three existing computers, including ensuring regular security updates and backups are being maintained properly, and assistance in acquiring and setting up new equipment as needed.

Please provide a quote for the above services, including any relevant details such as pricing, service level agreements, and estimated response times. We are interested in an ongoing support arrangement.

In addition, we would appreciate you providing at least three references of clients you have worked with in the past, including their contact information. We will be contacting these references to verify the quality of your work and level of customer satisfaction. Questions call 715-292-7785.

Please send a letter of interest and references to:
