Sign-up for Community Initiatives for Our Town

There are several projects that the Town Board endorsed in the recently updated Comprehensive Plan. Making them happen will require assistance from residents. There will be a sign-up sheet at the Town Annual Meeting on Tuesday, April 15. The initiatives are:

- Task #1: Prepare Washburn Town Heritage Tour brochure & map
- Task #2: Make our country roads safe for pedestrians & bicycles.
- Task #3: Make our Town a certified "Dark Sky" community.
- Task #4: Promote buying farm products from local producers.

If you are unable to attend, you still can sign up by sending:

- Your name,
- Your email address,
- Your phone number,
- Task on which you want to help
- Willingness to help organize (yes or no) To: plan@townofwashburn.wi.gov
